CLINICIAN I (EMERGENCY CARE)

(JUNE 2005 TO JULY 2008)

Baptist Children's Homes of NC (Kennedy Home)

Kinston, NC

- Accepted primary responsibility to facilitate all care provided to 16 residents and their families
- Provided individual and family therapy to each of these residents on a weekly basis to address mental health and substance abuse issues and to assist families in determining how these issues were perpetuating the family dysfunction
- Accepted "intake" calls and assisted parents and custodians to discover all placement and treatment options
- Facilitated the admission process for the new resident and their family
- Facilitated treatment team meetings for child care workers, case managers, residents, and family members
- Trained new staff members on policies and procedures
- Developed and maintained a positive relationship with referral sources and community agencies
- Spoke publicly to audiences of several hundred people on behalf of Baptist Children's Homes of NC
- Maintained case record files

CONSULTANT

(APRIL 2001 TO FEBRUARY 2005)

Boys and Girls Home of North Carolina

Lake Waccamaw, NC

- Served as a full-time Consultant to Staff and Teaching Parents for 4 cottages from April 2001 until December 2002. In December 2002, the company decided not to implement the program that I was hired to supervise due to "the state's red tape." I was asked to remain as a part-time Computer Consultant until budget cuts eliminated this position in February 2005.
- Conducted in home reviews of supervisees and provided verbal and written feedback
- Assisted staff members with understanding behaviors associated with mental health and substance abuse issues
- Facilitated case planning meetings with the resident, staff members, family members, and legal custodians

- Maintained a professional relationship with outside referral sources, school officials, and medical personnel
- Provided instruction and education to new employees
- Designed and implemented internal audits for the performance of the residential program
- Generated written comparative reports that highlight the strengths and weaknesses of each cottage and the campus.

UNIT THERAPIST

(OCTOBER 2000 TO APRIL 2001)

Behavioral Healthcare

Columbus, IN

- Provided individual and family psychotherapeutic services on the child, adolescent, and adult mental health and substance abuse units
- Facilitated daily group psychotherapy sessions for the patients
- Developed and facilitated an intensive outpatient substance abuse program for court ordered individuals
- Participated in a daily multi-disciplinary treatment team case planning
- Conducted psycho-social assessments and generated the necessary reports
- Clinical supervisor was a board-certified psychiatrist
- Full time

PSYCHOTHERAPIST

(DECEMBER 1998 TO APRIL 2001)

Dobbs and Associates

Louisville, KY

- Provided individual, marital, and family therapy under the supervision of a LCSW
- Part time

PSYCHOTHERAPIST AND CLINICAL ASSISTANT

(JULY 1995 TO JUNE 2000)

Parkview Psychiatric Services

Jeffersonville, IN

- Assisted psychiatrists with daily rounds and appointments in the inpatient and outpatient setting for individuals with mental health issues and substance abuse issues
- Gathered information for six psychiatrist's comprehensive psychiatric evaluations and daily progress notes for individuals with mental health and substance abuse issues
- Provided individual psychotherapy under the supervision of a LCSW and a board-certified psychiatrist
- Participated in a multidisciplinary treatment team which included MDs, LCSWs, Ph.Ds, and Addiction Specialist
- Part time July 1995 to December 1997 and fulltime thereafter

PASTORAL MARRIAGE AND FAMILY THERAPIST

(JUNE 1993 TO MAY 2000)

St. Matthews Pastoral Counseling Center

Louisville, KY

- Facilitated therapeutic relationships with individuals, couples and multi-generational families
- Assisted individuals with a variety of mental health and substance abuse issues
- Worked under the supervision of a LMFT and diplomate in AAPC
- Part Time, which began as part of an educational practicum

NEEDS ASSESSMENT AND REFERRAL COORDINATOR

(APRIL 1993 TO APRIL 1998)

Charter Louisville Behavioral Health System

Louisville, KY

- Provided hundreds of crisis assessments, triage, and referral to an appropriate level of mental health and substance abuse care
- Accepted crisis calls and encouraged a free assessment
- Provided psychiatrists with clinical information when an inpatient order was necessary
- Facilitated involuntary commitments when clinically required
- All documentation was reviewed and approved by a Ph.D., LCSW
- Full time
